

THE BIG M RUN....SUNDAY 19TH MAY, 2019

We will meet at McDonalds, Canterbury Road Bayswater – Melway Page 64 : Ref G1.

For those of you coming who remember our Cream Sponge Runs, this is the same format without the cream sponges.

Meet at 10am for a 10.30 departure, and get your coffee fix and a sticky bun for morning tea. There is plenty of parking at and around McDonalds. Next door at Red Rooster or further down at Anaconda.

The tour will be an observation run, with all sorts of silly and cunning questions to answer to put you in line for a prize at the completion.

Good roads all the way with plenty of opportunities to show off your special vehicle for National Heritage Motoring Day.

We will finish at a country pub, meals ordered off the board, and drinks at bar prices. We have been assured that vegan and vegetarian options are available.

A pen and a clipboard would be handy, a smile and sense of humour is mandatory.

Please let us know by Wednesday 15th May so numbers can be confirmed with the pub.

Look forward to seeing you.
