

29th September, A powerful day out

We have a tour of Power Works Energy Education Centre in Morwell arranged. Power Works offers a history of power generation in the Latrobe valley and an insight into the current power generation. After our tour we are heading to Boolara South where lunch will be provided by Kate and Graham, they will also have a display of solar power.

We will meet at the carpark behind Red Rooster Pakenham on the corner of Lakeside blvd and Princess highway, ready to leave at 9.15, followed by a scenic drive through Garfield, Bunyip, Drouin, Warragul and Nilma, or meet us at Power Works Ridge road Morwell at 10.30.

Entry to Power Works is \$5 per head which includes tea and coffee.

Lunch will be \$5 per head which will consist of soup, slices tea and coffee, if you have special dietary needs, I suggest you contact Kate on 0412126369

If you would like to join us please leave a message at, heatoms@gmail.com, 0450580892, 56443532,

Tom Cannon
