## The Wheelie Bin

When Wheelie bins were introduced, the rubbish bin man came along with his truck, and at one house there was no wheelie bin outside his house, but there was a man sitting on his Veranda, so the rubbish truck man called out to the man where's your bin, and the man said I bin in Hospital and the rubbish man said no! no! Where's your wheelie bin and the man said I welly bin in goal, but I'm telling everyone I bin in Hospital.

## TOUR OF MELBOURNE

We started out with B/fast on the Yarra. Then courtesy of Ray Higginson hopped on a bus and drove to Melbourne Goal, where we toured the Gaol (no we didn't leave anyone behind although Frank Douglas almost missed the Bus). Then after lunch At Williamstown, we hopped the Bus again and travelled to The Polly Woodside where some people hoped their problems would sail away! Then back to our Cars and Home after a Fun Day out!

Best wishes to Val Jefferies & Tore Pannuzzo who are in Hospital with health problems, get well soon.

On our Tour of Melbourne recently our President Frank Douglas received a phone call from someone trying to sell him something and when asked if he was busy his response was **yes! I am in Gaol!**

# MEMBERS PROFILE

## Ray & Lyn Higginson

Foundation members of the Vic club, Ray & Lyn are strong supporters of Club activities. Ray is on the committees for both the RACV Great Australian Rally & the RACV Fly the Flag Tour & is deputy organiser of both events. Ray runs a major bus company & has "loaned" the ABC club a bus or two for different club events.

This couple seem to like visiting the outback & are already booked for the Andamooka Opal Safari in May June 2003 as well as the RACV Fly the Flag Tour in March.

## Outstanding Club members

## Presidents report

Once again we have had a successful year. We provided officials and manpower for the RACV Great Australian Rally & the first RACV Fly the Flag tour. Both were a great success. Many other club outings were also conducted much to the enjoyment of all who contributed.

Our membership has grown substantially & this has caused a strain on our finances causing the necessity to increase fees for the first time in our history. Did you know that the magazine costs \$30 per member & public liability insurance approx \$9 each.

Cost of the AOMC & club registration fees are \$1.50 per member. This together with subsidizing Xmas & annual dinners etc means that we need approx \$45 per member to break even. We need the income from the two RACV events to keep above water as with the new fee of \$35 we are still topping up by \$10 per member.

Merry Xmas to all & lets have a great & successful 2003  
Frank Douglas... President.

## BIGGER BREASTS

Fresh from her shower, a woman stands in front of the mirror, complaining to her husband that her breasts are too small.

Instead of characteristically telling her its not so, the husband uncharacteristically comes up with a suggestion.

"If you want your breasts to grow, then every day take a piece of toilet paper and rub it between your breasts for a few seconds."

Willing to try anything, the wife fetches a piece of toilet paper, and stands in front of the mirror, rubbing it between her breasts.

"How long will this take?", she asks.

"They'll grow larger over a period of years," he replies.

The wife stops. "Why do you think rubbing a piece of toilet paper between my breasts every day will make my breasts grow larger over the years?"

"Worked for your butt, didn't it?"

He lived, and with a great deal of therapy, may even walk again!

Note: Could anyone that doesn't have a name badge please let me know.
